

THE LEADERS 2012 EDITION

Target Construction Professionals who make a difference !

The Leaders is Canada's annual national magazine of leading general contractors and construction firms by province, working in Canada over the past 12 months. Features include rankings and charts of the top national firms, Eastern firms, Western firms and sector builders. Our editors will also profile key Canadian leaders for many of the construction sectors.

Readership

Construction owners, general contractors, trade contractors, building product manufacturers, government, architects and engineers.

Distribution

The Leaders is distributed in print and digital format to the full circulation of Daily Commercial News and Journal of Commerce plus thousands of bonus copies to attendees of major construction trade shows throughout Canada.
